

Are you an independent grant writer or consultant that would like to utilize GrantWave for your grant writing and grant management needs?

Then join our [Affiliate Program](#) and utilize Mindcoast's GrantWave at no cost and earn commissions for referring new customers (certain restrictions and limitations apply.)

By referring one new client within a six month time frame, you are eligible for free access to GrantWave v3 and will receive 40% in sales commission for each new sale. As first-hand users of GrantWave, you will be able to demonstrate to potential clients GrantWave's benefits and features, such as the new financial tracking and reporting capability.
