

At Mindcoast we want to give you what works best for you. We offer you two different purchase options, a single upfront payment or a subscription based service plan with low monthly payments. A support and upgrade plan for the single payment option is available after the initial year.

- [GrantWave Single Payment Purchase](#)

GrantWave Subscription Plan

The subscription plan is a pay-as-you-go option. For a low monthly fee you have full access to the GrantWave program with all services included. No need for annual support and upgrade contracts. This risk free, no lump sum upfront option is an ideal solution to get started with GrantWave. Should you not be satisfied with GrantWave, you can cancel at any time.

The benefits at a glance:

- No upfront lump sum payment
- Low monthly payments starting at \$59.99/month
- No additional charges or hidden fees
- Full access to program during active subscription
- Toll-free and unlimited customer phone and email support
- All updates and upgrades included
- Low risk, easy cancellation at any time
- Free import of your contact, grantor, and organization information from a csv-file
- Monthly or annual subscription option
- Automated and convenient recurring payments from your bank account or credit card through the PayPal payment service
