

Here you'll find some frequently asked questions regarding pricing and licensing.

1. How much does GrantWave cost?

Please go to our [pricing](#) page to get information on purchasing and payment options.

2. Beside the initial payments, what other fees or recurring payments are there?

There are no additional payments after the initial purchase, the software and licenses are your's to keep forever. You can, however, choose to renew your support contract after the initial year to get the benefit of continuing support and free upgrades to the latest enhancements and improvements. For more info on support options see our [pricing](#) page.

3. Can I add additional licenses to my existing GrantWave licenses?

Yes, you can purchase additional licenses at any time. [Contact](#) us for more details.
